Paris in summer. People sitting outside under big red umbrellas in Paris Park Café, Jardin des Tuileries on a summer day, enjoying the shade of the trees. Some sit in groups and discuss. While others prefer to be alone. A peaceful, summer café scenery, which nevertheless shines because of the abstract trees, very energetic. Oil painting on canvas in spatula technique with certificate of authenticity, and signed on the front and back. Professional stretcher frame of German manufacture, made of coniferous wood. Covered by hand. January 2021.
