

Ella Joosten: Picture "Lyrics" (2012)

€1,999.00

Note the multitude of details, the richness of colors, the nuances of sharpness and haze. At a certain point you will rehearse, whether it be layers of earth, compressed boxes, or the imagination of plastic soup. Perhaps better to let those associations rest, and let the image speak purely. How I see lines and surfaces that fight with each other in the composition.
