

Mila Weis: Picture "Sunset Colors No. 2" (2024)

€1,600.00

In this work, "Sunset Colors No. 2", I have embraced the fluid fusion of Expressionism, Impressionism and Minimalism with vibrant acrylic colors. The bold orange hues against soft sky tones capture the fading energy of an unforgettable evening sky, while abstract shapes and strokes leave open the infinite possibilities of interpretation. This painting aims to create an atmosphere of calm and reflection in your home, enriched by the passion and energy that lies in every stroke.
