

Heike Schümann: Picture "love & trance" (2022)

€2,200.00

The use of acrylic paints in combination with subtly incorporated sand manifests a remarkable depth effect on the surface of the painting. The artistic expression of this work reveals a subtle balance between movement and grace. The woman presents herself in a state of intense devotion to the dance. Her partially translucent appearance extends the spatial dimension of the work in a fascinating way, as if she is moving between the worlds of reality and a state of trance. The artwork is a unique piece on canvas and belongs to the style of contemporary art, it is painted with high-quality acrylic paints and is dated and signed on both sides by the artist.
