

Olamboray: Picture "Love comes first" (2022)

€8,180.00

In this beautiful abbey of Orval, under the full moon, the train has left, like a wooden crate, floating, pushed by the tides. But hey, my carriage is still there and hey hey hey, I'm not leaving! No no, I'm staying! She's got the keys in her hand. And I love that feeling so much... Now we're all wondering why the giraffe decided to stay with us... Welcome to my Blue Bubble, it's going to be fun! Rock&Roll?
