

Mila Weis: Picture "Sunrise Colors No. 3" (2024)

€1,500.00

In this abstract artwork "Sunrise Colors No. 3", I have captured the softness and power of dawn with acrylic paints. The layers of soft yellow, soothing purple and deep brown convey a sense of calm and deep rest while representing the beginning of a new, hopeful day. This piece brings an atmosphere of reflection and new beginnings to any room it adorns.
