Astrid Stoeppel:
Picture "Sketchy Dot!" (2021)

€2,800.00

The work "Sketchy Dot" is painted on white unprimed canvas (white cotton). The acrylic colors soak deeply into the fabric. The pigment granulates in some places and the different colors appear rather glazed, but at the same time very colorful and vibrant. For this series Stoeppel uses high quality acrylic paints, stretcher and canvas. The works are treated with fixative and thus protected from dust and UV rays. The artwork "Sketchy Dot" is signed and dated on the back. It is ready mounted on a stretcher frame, provided with two hooks and can thus be hung directly. Works of the German artist Stoeppel are part of public and private collections worldwide, including the USA, Canada, Australia, Japan, South Korea, UAE, UK, Ireland, Spain, France, Austria, Italy, Germany and Switzerland.
