

## **Peter Nottrott: Picture "Perfect Summer Feelings XL 1" (2023)**

**€3,390.00**

The sun is shining, the flowers are blooming, the crickets are chirping..... whether it's breakfast outside, walking barefoot, marveling at fireflies, a barbecue with friends or enjoying the sunset with a summer drink: the pleasure of summer is as versatile as a colorful blooming summer meadow. The beautiful summer feeling inspired me to create this bright painting, for this the painter mixed blue, red, magenta, pink, orange, yellow, white, purple and green shades on his palette. The painting is signed on the front bottom right by Peter Nottrott and dated with the year of creation.
