

Chris Morys: Picture "Transformation IV" (2022)

€2,280.00

Brighter, more colorful, more luminous. More daring and more confidence in our own strengths. Everyone has hidden potential and strengths that we just need to explore. Energies that we must dare to feel. With the NEON TRANSFORMATION series, artist Chris Morys reveals his inner transformation process that he went through during the coronavirus pandemic. He frees himself from conventions and constraints and trusts his own intuition. The energetic works of art show the power inherent in every human being. With his art, he takes the viewer on a journey of discovery into their own self.
