

Sandra Gebhardt-Höpfner: Picture "Vase Full Of Summer 1" (2024)

In this painting I have used acrylic paints to create a scene full of life and emotion. The impressionistic style makes the flowers appear lively and dynamic. The sun shines brightly through the window in the background. The blending of colors creates an atmosphere of calm and joy. This artwork carries the warmth of summer and will add an invigorating energy to any room. The painting is signed on the front and signed + dated on the back. The sides are also painted. A hook is already attached.
