

Ute Meyer:
Picture "Baltic Sea / St. Albert / Ærø" (2023)

€700.00

This picture was taken on a windy, sunny day in early September on the beach at St. Albert on the Danish island of Ærø in the Baltic Sea. Ute Meyer took the bright blue flowers of the chicory as her main subject. A narrow strip of beach can be seen behind the plants. The blue-green sea is in motion. In the background, a coastline is indicated in front of which sailboats are crossing. The brushwork is impasto and expressive. The pictorial expression is impressionistic and spontaneous. The picture is hung with a steel wire and can also be hung without a frame, the edges are white. The signature is on the front.
