

Mirek Kuzniar: Picture "Rainy autumn day in London" (2022)

€1,500.00

Lovers on a gloomy afternoon in late autumn walking on the south bank of the Thames. The street lamps are already casting their first light. And the trees on the right, reflected in the wet asphalt, are bare and heading towards winter. In front of them is the Palace of Westminster. And an overcast and rainy sky stretches over Big Ben. A damp late autumn impression that gives the painting a fresh vibrancy. Oil painting on canvas in spatula technique with certificate of authenticity, and signed on the front and back. Professional stretcher frame of German manufacture, made of coniferous wood. Covered by hand. The edges of the canvas are painted with acrylic paint black. January 2022.
