

Fehrmann: Picture "Now or never, flight test" (2014)

€5,195.00

The lively painting is inspired by the philosophy of never giving up and seeing an opportunity even in failure. A modern composition in vivid colors, in the center of which a young man looks forward and walks, and an airplane can be seen in the upper right half of the painting. Blue tones, red and orange, yellow, green, blue and black set varied accents.
