Ute Bivona:
Picture "My Love Is Forever" (2022)

€8,500.00

Lightness, joy and eternal love - that's what the artist combines in this work to a brilliant round of white flowers that almost rain down on you. Like a wonderful decoration of fragrant white roses and other flowers, which would please any bride! A Viennese waltz of emotions, of white flowers against a colorful background, colorful, but bright and cheerful.
