

Ella Joosten: Picture "Autumn" (2015)

€1,510.00

In this vibrant dance of acrylics, I've captured the essence of transformation, portraying the fleeting beauty of leaves at the height of autumn. Each stroke resonates with the soul's renewal, a canvas replete with life's ephemeral moments. It breathes warmth and a sense of nostalgic serenity into any space, inviting viewers into a world where nature's final burst of life before winter is eternalized.
