

Alina Kloka: Picture "Movement" (2023)

€1,100.00

Alina Kloka presents her abstract painting "Movement" in a unique exhibition. Inspired by the fascinating world of microbiology, her work reveals deep insights into the hidden existence of microorganisms. By observing yeasts and bacteria under the microscope, she discovers a world of its own full of life and movement. "Movement" is a tribute to this invisible reality and reminds us how small we are compared to the universe, yet alive and constantly in motion. On closer inspection, the image reveals mysterious shapes and unknown creatures that represent the hidden beauty of our surroundings. Alina's artwork aims to promote the recognition and appreciation of other life forms in order to gain a deeper understanding of the diversity and complexity of our world.
