

## Uli Fischer Art: Picture "ALEXIS" (2023)

ALEXIS The painting shows a vivid and colorful depiction of a woman, the background is covered with pure silver leaf to create a shiny and sparkling surface. The silver leaf acts as a sparkling pattern in the background, enhancing the colors and shapes and attracting the viewer's eye. It reflects light and creates a subtle glow that brings the painting to life. Alexis herself is in the foreground of the painting, her face surrounded by a light veil of bright colors enhanced by the reflective silver leaf. The painting exudes an aura of elegance and sophistication, enhanced by the subtle use of silver leaf. The viewer is invited to immerse themselves in the vibrant world of Alexis and the shiny background and enjoy the beauty of the colors, shapes and materials. Have fun Your Uli Fischer
