

Monika Gollasch: Picture "Snowdrop in Lavender on Sap Green" (2025)

€850.00

Inspired by nature, I work with plants and flowers. I sketch the shapes of the flowers with ink and simplify them step by step to finally enlarge them in an exciting detail. By playing intuitively with the colors, I create completely new and fresh combinations. Here, the beautiful, delicate snowdrops have been abstracted onto a blue and dark green background. I deliberately played with the colors and chose lavender as the color. Acrylic on canvas, painted around the edges and covered with protective varnish. The picture can be hung on the stretcher frame immediately.
