

Peter Nottrott: Picture "Symphony Of Spring L 1" (2023)

€2,290.00

The forces and the variety of colors and shapes of nature in spring were the inspiration for this modern and detailed composition. Against a pastel background in predominantly orange and green hues, the green, blue, violet, white, lilac, magenta, pink, orange and yellow hues are arranged to create a floral character. The hues enrich each other, as in a symphony they result in the interplay more than each individually.
