

## **Kerstin Forster: Picture "Waves always find their shore (1)" (2023)**

**€550.00**

This work shows an atmospheric dense seascape. reminiscent of deep blue of the sea. The works from this series are characterized by light days at sea, tell of waves and wind, heat and sultriness, lightness. Exuberance and self-forgetfulness All works were created on acid-free 300g Hahnemühle watercolor board with acrylic and oil paints. The works are signed and dated on the back and can be delivered on request possibly framed.
