

Anne Samson: Picture "Flower Power" (2024)

€3,400.00

This is realPopArt. Gaudy, striking, eye-catching, brightly colored and expressive. A large format that is a real eye-catcher. Simply wonderful in a large room, a practice or an office! Numerous shades of red, bright yellow, violet and turquoise - a great combination and beautiful contrasts! The generous shapes show lush blossoms, radiant flowers. The picture can be hung both horizontally and vertically, as both versions are equally effective.
