

## **Peter Nottrott: Picture "Magical Water Lilies L 1 / Oil" (2022)**

What a beautiful moment to come across a pond with water lilies during a walk - this fascination has inspired Peter Nottrott to this impressionistic water lily painting. A pond with sunshine and water reflection, surrounded by trees near the shore, whose branches hang over the water and in addition the water lilies: the motif invites you to devote yourself to beautiful thoughts and feelings. The painting has painted side edges and is signed on the front bottom right by Peter Nottrott and dated with the year of creation. After Peter Nottrott has specialized for a very long time in acrylic paints, painting with oil paints offers an enrichment that offers him other possibilities that want to be (re)discovered.
