

Heinz Stoewer: Picture "Agave" (2007)

€1,200.00

The work shows a detailed view of a garden in the desert with an agave in a field of stones in front of a palo verde tree. With its clear structure, the garden is reminiscent of Japanese gardens and thus radiates great tranquillity. The agave and the trunks of the palo verde are placed like sculptures in the field of stones in various shades of color, which in turn is bordered by concrete slabs. The calm and order of the picture create a contemplative mood. The work is signed and dated on the reverse.
