

Sabrina Seck: Picture "f..k your problems - enjoy your life" (2022)

€4,500.00

When worries and problems are making you lose your mind and you don't know which decision is the right one now because there are thousands of pieces of good advice, it helps to give your anger the finger and simply enjoy life in all its facets. Because sometimes problems solve themselves and who knows what you might have missed by then...
