

## Beate Garding Schubert: Picture "Home Is Love No.5" (2023)

"Home is love" is painted, scratched, sprayed in many layers. There are some symbols on the artwork like houses, ladder, man, sun. The surface is both lively, and in many areas soothing. Red dominates. White dripping testify to playfulness and exude spontaneity and joy. Our home is extremely important to our lives. Many of my artworks revolve around the theme of home. This is where we experience love and affection. This is where we feel safe and secure. "Here comes the sun..." The artwork is 50x50cm and 4 cm deep on high quality canvas. The sides are painted. The image is finished (satin) to protect against UV light.
