

## Heike Schümann: Picture "X marks the treasure map" (2023)

**€2,100.00**

The work "X marks the treasure map" by Heike Schümann in the style of contemporary art shows a woman who appears to be waiting or resting. The picture leaves room for interpretation and encourages viewers to reflect. Overall, it is very expressive and, through the use of bright colors and a loose brush technique, immerses the viewer in a world full of emotions. The work is a unique piece on a 4.5 cm wide canvas, painted with high-quality acrylic paints and signed by the artist.
