

Gary Westall: Picture "Indian Summer Weserbergland" (2023)

€690.00

I got inspiration for this picture during a walk in the Weserbergland near Hameln. The colors present themselves in a wealth of luminosity and intensity, a true beauty of the autumn season. Oil on cardboard 40x30cm, signed lower right. Caution! The colors must be cured before the painting can be sent. This takes about four weeks. The picture cannot be sent before December 18th.
