

Ute Meyer:
Picture "Mølledamsvej / Ærø/ Baltic Sea" (2016)

€1,600.00

This picture was taken on a sunny day at the beginning of May. I work quickly and spontaneously with brush and oil paint to capture the mood of the moment. The dynamic, impasto application of paint emphasizes the structures of the may-green vegetation and the sand-coloured cliffs. The peaceful, shimmering blue water is painted with calmer brushstrokes. The support for the painting is a self-covered canvas, primed four times and suspended with a steel cable. My signature is on the front.
