Picture "Evita (Perón) I - esperanza" (2023)

€2,400.00

Work from the series "Courage Strength Resilience - Lifelines of extraordinary women". The mixed media work was awarded the International Art Prize HONOURABLE MENTION AWARD in 2023 by Art Show International Gallery, USA, California. The strength of Evita Perón, her selfless social and political commitment, her courage to fight and break new ground inspired me to create this portrait. The portrayal of the portrait in the complementary colors of yellow and purple with maximum luminosity, match Evita's personality, her very own inner radiance and inexhaustible inner strength. For this mixed media work I used acrylic paints, graphite, tissue paper, oil pastels. The painting has texture from the impasto paint application and the tissue paper. The varnish is glossy.
