

Sabrina Seck: Picture "Umbra" (2021)

€3,500.00

The black panther is an elegant big cat. But it is actually a jaguar or leopard with a different coat pattern. If the light is good, you can still see the typical spotted coat pattern of the jaguar or leopard. Due to digitalization and depending on the monitor settings, there may be slight color deviations. Edges painted, thus an immediate hanging possible.
