

Mo Fontaine: Picture "La Belle Florentine" (2020)

€4,600.00

"La Belle Florentine" is not originally a ritratto (portrait) in profile view, but a painted wooden sculpture by Desiderio da Settignano from the early Renaissance, which can be admired in the Louvre. Originally, the elegant patrician was supposed to represent a saint (Sancta Costanza). Using stylistic devices from the realm of icon painting, Mo Fontaine approaches the aura of the beautiful Florentine woman, giving her an upgrade as a ritratto with a precious feel.
