

Ro: Sculpture "The little fairy" (2022)

€1,200.00

This work presents a figure of a female creature like fairy. The small sculpture represents a mixture between a girl and a dragonfly. The idea is to express the female nature, lightness, aspiration, cheerfulness and naivety. The sculpture is mainly made of papier-mâché, concrete and other additional materials and then painted like a bronze sculpture. Bronze imitation. The small sculpture is connected to a concrete base. Signed with An Ro
