

## Heike Schümann: Picture "Urban" (2020)

€2,100.00

The original artwork "Urban" by Heike Schümann in the style of contemporary art is a unique piece, painted on a canvas with a depth of 2 cm. It captures the tension between eye-catching advertising and unimpressed passers-by and inspires interesting questions about the perception of advertising in everyday life. This urban acrylic painting was created with high quality paints and texture paste and bears the artist's signature.
