

Sabrina Seck: Picture "Milagro" (2025)

€3,900.00

Milagro means "miracle". Bulls are imposing, powerful and strong animals, paired with inner calm and friendliness. The use of bold, bright acrylic colors emphasizes the raw energy and unbridled nature of the animal, playfully realized through dynamic splashes of color and flowing lines. This composition is not just a picture; it is a firework of emotion that adds power and color to any environment.
