

Sabrina Seck: Picture "make it happen" (2023)

€3,200.00

Dream it, see it, make it happen... Painted with acrylic on a wooden canvas. This is made of 100% wood and is constructed like a canvas mounted on a stretcher frame. Framing is not necessary, but possible. The work can be hung up immediately. The surface has been covered with UV-resistant resin. The resin layer leaves a wonderful shine, similar to a glass surface.
