

Peter Nottrott: Picture "Stick: Awesome Daydream 1" (2024)

€2,890.00

In a fantastic daydream, the impossible can become possible, the natural laws of space and time can be suspended - such a daydream was the inspiration for this radiant, three-part color formation, which was created using mainly yellow, orange and magenta as well as white, red, pink, blue, brown, beige and green hues. The colors in the lower half of the painting are darker than in the upper half. The painting has painted side edges and is signed by Peter Nottrott on the front bottom right and dated with the year of creation.
