

KNÖ-REI: Picture "604rel-FO" (2025)

€1,200.00

The artwork combines abstract geometry and minimalist clarity. The shapes play with op art and give the impression of architectural forms. Using acrylic, complemented by colored pencils and liquid chrome, KNÖ-REI creates a balance between calm and dynamism. The cool and warm tones symbolize harmony amidst the contrasts of life. Here too, KNÖ-REI has painted over an existing work in order to deliberately integrate the contours of the underlying motif into the new motif and make them visible. This picture will bring an aesthetically calming yet energetically stimulating atmosphere to any room.
