

Ute Meyer: Picture "Baltic Sea / Vejsnæs / Ærø" (2023)

€500.00

This picture was taken in March on a gray cloudy day at the Danish Baltic Sea. The high humidity favoured the soft color transitions when painting with watercolors. In the foreground are reddish ochre grasses. The view is of the bay with its blue-grey water. The stony beach leads along the bay to the tip. A brown wooden hut can be seen in the distance. Behind it is a green field. 300gr laid paper from Centenaire served as the painting ground. The picture is mounted on a gray passe-partout board measuring 60x80 cm. The signature is on the front.
