

Jörg Herz: Sculpture "Snorkeler in pink" (2023)

€1,280.00

This wooden sculpture shows a woman in a neon pink swimsuit with flippers and snorkel. The artist was inspired by his love of water and wanted to show the joy of swimming in open water. The choice of a female motif challenges traditional gender roles and emphasizes freedom in the water. The sculpture celebrates the natural world and the strength of women. Herz hopes to inspire viewers to appreciate the wonders of nature. Unique piece / figure approx. 56 cm high / with base 70 cm high / spruce and acrylic paint / wood sculpture made with a chainsaw
