

Hans Otto Lohrengel: Picture "Architectures S10" (2023)

€980.00

Photo collage on aluminum dibond/acrylic. Edition of 9 copies. Signed and numbered on the back. On request, all photo works of my edition can be ordered in the following sizes as part of the limited edition: 60 x 30 cm / 80 x 40 cm / 100 x 50 cm. Hans Otto Lohrengel combines and connects different image motifs from digital photographic material to create unusual new units, which at first glance often have little or no relation to each other. He achieves this with formal reference points that place the content in panorama-format digital photo collages in new relationships. For the viewer, this results in new, never-before-seen imagery.
