

Holger Mühlbauer-Gardemin: Picture "The game" (2024)

€3,190.00

My work fuses acrylic, letterpress techniques, varnish and pigments to create a dynamic expression of power and energy. Inspired by expressionism, figuration and pop art, this painting exudes a vibrant passion and movement that fills any space and captures the pulsating intensity of athletic fervor. Every brushstroke is a tribute to the tireless spirit of competition and human endeavor. The painting is half analog and half digital, then digitally merged on canvas, mounted on a 4 cm thick stretcher frame and a sturdy wooden cross on the back, finished with acrylic paint. Steps/working method: Analog, digital, analog. A unique piece.
