

Anke Gruss: Picture "On the Hamme" (2017)

€3,400.00

On the Hamme in Worpswede in autumn. The orange leaves shine in contrast to the blue of the Hamme. A mystical, mysterious light lies over the scenery and this special place. The picture was painted after sketches on site later in the studio in oil glaze technique. The blue-orange contrast gives the image a strong contrast and the many flare glazes let the tones shine.
