

Julia Pasinski: Picture "Flying high (terns)" (2020)

€1,600.00

A scene of terns elegantly gliding through the air at eye level unfolds against a vibrant green background. This depiction allows the viewer to admire the graceful grace and precise flying of these birds from an unusually close perspective. The contrasting green background emphasizes the slender silhouettes of the birds, creating a sense of freshness and vitality. The picture was painted on canvas in oil. On the back it is signed and dated.
