

Holger Mühlbauer-Gardemin: Picture "Keith Live" (2024)

€3,830.00

My fascination with energy and passion lives on in this work of art by Keith Richards. The colors and textures make every emotion vibrate as if they electrify the air. My intention was to create an atmosphere that inspires you and gives your surroundings an infectious energy. The painting is half analog and half digital, then digitally merged on canvas, mounted on a 4 cm thick stretcher frame and a sturdy wooden cross on the back, finished with acrylic paint. Steps/working method: Analog, digital, analog. A unique piece.
