

Ella Joosten: Picture "Tulip11" (2014)

€1,150.00

First quality, highly pigmented acrylic paints, on 4 cm deep canvas. Expressionist style. Free and spontaneous. The painting is ready to hang immediately. I painted this art work in the famous tulip fields of Holland. It is painted in my own recognizable style. I used a palette of very bright colors, which gives you a happy feeling. It has a matching wooden box frame, in anthracite color. The dimensions with frame are 72x72cm.
