

Nicole Leidenfrost: Picture "The clown" (2020)

€2,600.00

"In this artistic work, the lively world of the clown merges with the unique style à la Mondrian. The abstracted portrait depicts the clown's cheerful personality in vibrant blocks of color and geometric lines, inspired by the iconic Mondrian style. A tribute to the playful nature of the clown and the timeless art movement, merging into a fascinating and dynamic composition."
