

Heike Schumann: Picture "Inner refuge, a journey of self-reflection" (2022)

The artwork "Inner refuge, a journey of self-reflection" by Heike Schumann is abstract figurative. The dominant color of the work is blue, which conveys a calming and meditative atmosphere. Through the targeted use of intense red, emotional aspects or inner conflicts are hinted at, which can occur in the process of self-reflection. Collages of fabric and cardboard as well as flowing and opaque acrylic paints in overlapping layers create depth and transparency in the work. The artist drew inspiration for the design from a studio model. The work is unique on canvas, painted with high quality acrylic paints and signed by the artist
