

Peter Nottrott: Picture "World Of Colors XL 4" (2025)

€2,790.00

For this powerful color formation, I mixed predominantly warm yellow, orange and red tones on my palette, complemented by blue, green, white, a little pink and beige-brown, and the resulting, detailed world of color invites you to discover it with pleasure. The painting has painted edges and is signed by Peter Nottrott on the front bottom right and dated with the year of creation.
