

Sandra Gebhardt-Höpfner: Picture "Summertime 4" (2023)

€1,590.00

A place by the sea. It is summer. The contours of the beach are lost in the seawater. The sound of the sea is overwhelmingly soothing. I could stay here forever. The colors are beige, pink, light blue, dark blue, green, turquoise green, dark pink and white. The sides are also painted. The picture can be hung directly without a frame with the attached hook.
