

Jörg Herz: Sculpture "Street sweeper I" (2022)

€1,280.00

Jörg Herz has long been engaged in the motif of the "street sweeper". He depicts people who keep our streets and squares clean, every day and in all weathers. He makes these people the subject of his art and puts you on a pedestal - you thereby move into the consciousness of the general public for whom you work. Heart wants to give something back to you through this recognition. Unique / figure about 45 cm high / with pedestal 55 cm high / spruce and acrylic paint / wood sculpture work with the chain saw
